Maintenance of Deposit-Credit Ratio by Banks

251. SHRI INDRADEEP SINHA:
SHRI SURAJ PRASAD:

Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that deposit-credit ratio in the North Eastern States are not maintained by the banks;

(b) whether it is also a fact that it is hampering the development of these States;

(c) what are the names of the States where deposit-credit ratio is maintained properly by the banks; and

(d) what steps Government have taken in the matter?

THE DEPUTY MINISTER IN THE MINISTRY OP FINANCE (SHRI JANARDHANA POOJARY): (a), (b) and (d) The Credit: Deposit Ratio of all scheduled commercial banks in the North Eastern Region stood at 41 per cent as at the end of December, 1982. The banks, besides advances, also make investments. The credit plus investment deposit ratio on this date works out to 63 per cent. The Credit: Deposit Ratio of the scheduled commercial banks improved to 42 per cent in the North Eastern Region as at the end of June, 1983.

The banks have been asked to take necessary steps for improving the credit deployment in the States where credit-deposit ratio is low. The banks are involved in the preparation of District Credit Plans with a view to facilitate bank credit in the implementation of development programmes. The State Governments have also been requested to strengthen their *infra-structure* for deployment of larger bank credit. All such measures are expected to improve the flow of credit in the North Eastern Region.

(c) The State-wise Credit: Deposit Ratio of all scheduled comercial banks as at the end of June, 1983 is given in the Statement.
